TEMPLE
BREW
HOUSE

THINK OF US AS SANTA'S LITTLE HELPERS...

Whether you're thinking about your office end of year blow out, a friendly dinner with old mates, or you're simply trying to schmooze some clients, Christmas is a hectic time for everyone.

We want to take some of the stress away, so we've put together some handy little packages that might help you along the way. Feel free to e-mail us; Eppie, Mary, Teddy & Jack are always on hand to make sure everything is just how you want it.

The logo for Essex Street Brewery is centered within a red rectangular border. It features the word "ESSEX" in a large, bold, black sans-serif font. The letter "E" in "ESSEX" is replaced by a blue stylized symbol that resembles a beer glass or a hop cone. Below "ESSEX" is the word "STREET" in a smaller, bold, black sans-serif font. At the bottom, the word "BREWERY" is written in a very large, spaced-out, black sans-serif font, with the letter "W" in blue.

Temple Brew House is home to The Essex Street Brewery. It sits snugly in the middle of our bar, so your pints travel about 15ft from tank to glass & our head brewer Vanesa is always on hand to show you around and talk you through our beer. If you & your party would be interested in arranging a more comprehensive tour tied in with your Christmas party, this could certainly be arranged. Learn the basics of brewing & the history of beer, as well as tastings & a Q&A session.

THE BEST BIT (DRINKS!)

Why not pre-order buckets of beer or crates of wine and we'll have them on ice ready for your arrival, so you don't have to go to the bar, although we have some super beers on tap so we think maybe you should!

BUCKETS OF BEER - £60

Pale Ales — A range of our favorite pale ales, light and easy drinking range of beers. Classics such as Beavertown Neck Oil and punk IPA, or Hopy little numbers like Jaipur or Mariana Trench.

Dark Ales — Like them more dark, more malty? Ryes, Porters and Stouts galore here! Sweet Marshmallow porter stay puffed, or the Smokey Smog Rocket the Darks are something to keep you sipping.

Something different — From Wits to tropical Pales. If you want 'none of the above' then this is the bucket for you, little bit of everything with lovely fresh beers such as Camden Gentlemen's wit or the Club Tropicana. This bucket will keep your taste buds guessing.
